## Establish a solid Enneagram foundation 9-14 March 2021, Waterkloof, Pretoria

The Enneagram Intensive offers a transformative experience of the Enneagram, focusing on the integration of psychology, spirituality and somatics.

This course offers a full examination of the nine distinct type structures, with expanded attention to the spiritual and somatic aspects of each type. Another key element of the training is how the types show up in relationships.

This course is for anyone with some prior knowledge of the Enneagram and who wants to participate in a growth experience that is safe and supported by a receptive community. It is also designed for those who want to pursue teacher certification or use of the Enneagram in their professional practice and workplace.

The six day course includes two rounds of type panels in
